Dear Little Inspirations Families,

We want to thank you for choosing Little Inspirations for your childcare needs. Our desire is to offer a safe, clean, loving, and educational environment for your child to grow, learn, and play.

Little Inspirations understands how difficult it can be for working parents to balance all of their commitments and responsibilities in their lives. For this reason, we strive to offer a program that will enrich your child's development while putting your mind at ease.

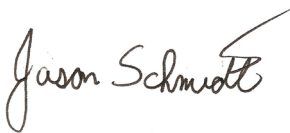

We will do our best to assist your child in developing important values such as: good manners, caring, sharing, patience, responsibility, as well as communication and teamwork. We believe that children develop best through educational play, and we will implement these important values throughout our day. We also offer preschool activities such as learning the alphabet, shapes, colors, numbers; and we work on name recognition.

It is our goal to offer your family the quality childcare experience you deserve. Please feel free to openly discuss with us any problems or concerns you may have at anytime. An open and honest relationship is the key to a happy childcare experience for everyone involved.

Please help us operate our childcare business in a professional manner by carefully reading the parent handbook and filling out all the necessary forms. It is very important that you are aware of and understand all our policies.

Thank you for choosing Little Inspirations Childcare Center LLC as your childcare team. We look forward to providing your child with the best possible care.

Communication with you is crucial to enable us to help develop your child. Little Inspirations welcomes changes and suggestions on how to make your time here more enjoyable.

Shauna Schmidt, as Director, will manage the day-to-day operations. Jason Schmidt, as center Administrator, will be handling the business operations. Little Inspirations is licensed to care for no more than 115 children at any one time and will serve children ages 6 weeks to 13 years of age. We will never refuse to enroll a child on the basis of race, sex, color, creed, political persuasion, national origin, handicap/disability, ancestry or sexual orientation. We are inspected regularly to insure that we meet State of Wisconsin licensing standards.

The following are holidays to be paid for that the center will be closed:

New Year’s Day
Memorial Day
Fourth of July
Labor Day
Thanksgiving
Friday after Thanksgiving
Christmas Through New Years (Following AASD Calnedar)

If the holiday falls on a Saturday the center will be closed the Friday before the holiday and if the holiday falls on a Sunday the center will be closed the Monday after the holiday, with exception to being close the week between Christmas and New Years using the Appleton Area School District calendar as a guideline. Only Christmas Eve and Christmas Day are paid Holidays.

Conceal and Carry Policy

For the protection of our staff, children and parents, we will not allow any weapons on the premises unless it is legally part of your uniform.

Parent Information Area

Little Inspirations will post the following items for parents' review at the front entrance on the parent information board: license certificate, a complete copy of the parent handbook, results of our most recent licensing monitoring visit, and a copy of the licensing regulations.

Our administrative structure is as follows

Administrator, Director, Assistant Directors, Teachers, Assistant Teachers, Cook

Smoking is not permitted anywhere on the premises of the center, indoors or outdoors!

Change to the Parent Handbook/Policies

The Center, at its discretion, may change any policy contained in the Parent Handbook. Parents will be notified two weeks in advance of any changes by email or written notice distributed to children's cubbies or mailbox.

Building Entry/Pass Code Procedure

Parents are asked to park in the stalls closest to the sidewalk if possible during drop off and pick up. The entry door is locked for the safety of the children and our staff. In order to gain access, Little Inspirations has a computer based entry system that requires an individual pass code for the front door. This pass code will be selected by the parents and can be changed at any time by talking with the Administrator. Staff members also have their own pass code. Individual pass codes are strictly used for access purposes, parents are still required to sign their child in and out on the touch screen computer located on the wall inside the door.

This pass code is to be used by the PARENT only. Do not give anyone else your passcode. If you are having a previously authorized person drop off/pick up your child, please ask them to use the doorbell. The doorbell is located in the entry way so that if you forget your pass code, if you are having another authorized person pick up your child, or a visitor to the center arrives, they can ring the bell which will alert the Directors or Administrator who will allow or deny access. Please do not hold the door open for anyone! Again, this is for security purposes so that we can monitor who is coming into the center and will help ensure that your children, and our staff, are safe.

Arrival

Parents or authorized adults are required to bring children into the building and escort the child to their assigned classroom. Once in the room, please have your child wash their hands and then fill out the daily report if applicable and assist with removing outer clothing and placing items in the child's cubby. Staff will take daily attendance several times throughout the day to know the names and number of children. We ask that if you have more than one child in the center that you drop off the youngest last. This is a concern in the infant room due to the 'No Shoes' rule. Once your child is ready to start the day, please bring your child to the teacher and share any questions, concerns, or special instructions for the day before saying goodbye. If a child falls asleep in a swing or car seat, the child must be removed from the swing or car seat and placed to sleep on his or her back in a crib¹.

Departure

When you arrive to pick up your child, please check the child's mailbox to see if there is any correspondence to be taken home. Please take a moment to talk with your child's teacher about the day's events and let the teacher know you are leaving. We ask that if you have more than one child in the center that you pick up the youngest first. Before you leave the building, please remember to log your child(ren) out on the Procure touch screen by the front door.

Special Notes

Children will only be released to previously authorized persons as designated on your enrollment paperwork. If anyone other than the child's parent or someone listed on the enrollment form is to pick up a child, please notify the Director, Assistant Director, or Administrator in advance by writing, email, or by phone. The person picking up the child will need to show a driver's license or other picture ID.

If parents wish to allow a school-age child to leave for school or arrive from school at the center by bus or other prearranged transportation, they must provide written authorization for this activity. School-age children who leave the center by bus or other prearranged transportation must be traveling to school or another activity where adult supervision is present.

Child safety is essential at Little Inspirations. If a parent or other authorized person arrives to pick up a child and that person appears to be intoxicated or under the influence, all reasonable steps will be taken to prevent the person from leaving with the child, including offering to call a cab or another person. While we cannot legally withhold a child from the legal guardian, Little Inspirations will not hesitate to call the local authorities if we feel a child is in danger.

Parent Visits

Parents are welcome to visit the center at any time during the hours of operation unless parental access is prohibited or restricted by a court order. If so, a copy of the order will need to be on file with the Director. Please understand that we can not legally limit access to a parent if there is not a copy of a court order on file at the center.

Communication

It is important that we communicate daily concerning the needs and interests of each child. If there are issues or concerns that need to be addressed, parents can discuss these with their child's teacher at drop off/pick up or arrange a convenient time to talk with the Director or Assistant Director either by phone or in person. To foster communication on a regular basis, Little Inspirations provides a written newsletter and parent bulletin boards outside each classroom and by the office. Each child will also have a mailbox in their classroom so please check those daily for newsletters and other communications from the teachers or from the administration.

Little Inspirations will hold a Parent Advisory Board meetings which you are encouraged to attend where you can voice your opinion or offer suggestions. In addition, voluntary parent/teacher conferences will be offered bi-annually in spring and fall. You may at any time request a parent/teacher conference by coordinating with either of the Directors or Administrator.

If a child will not attend on a regularly scheduled day, parents should make the Director or Assistant Director aware at least 1 hour prior to the child's regular scheduled arrival time.

Cell Phone Use

If you need to use the phone, please do so outside the center before coming into or after leaving Little Inspirations. We ask that your time inside the center be spent talking with the teachers to communicate about your child's day.

Religious Content

We reserve the right to observe any or all religious holidays by way of art, music, cooking, books, discussion and celebrations. Little Inspirations will promote diversity by teaching about multiple cultures and ethnics.

Grievance Procedure

In the event a problem exists; the Center wants it corrected as quickly as possible. This can only be achieved if it is identified immediately. Parents with concerns should first discuss them with the classroom teacher if the concern is not related to a teacher or staff member. If the classroom teacher is unable to resolve the concern independently and to the satisfaction of the parent, then the matter should be brought to the attention of the Administrator, Director, or Assistant Directors. If the center is not able to resolve your concerns you may contact Jill Kellner who is the State of Wisconsin Licensing Specialists assigned to this territory at (920) 448-5330.

Pets

There will not be pets on the premises. If pets will be added in the future, a notice will be posted to inform parents in advance, and whether or not children will have access to the pet(s). Allergies children may have will be taken into consideration.

Confidentiality

To protect each family's confidentiality, Little Inspirations will not share information about a child or a child's family with anyone who is not authorized to receive this information. While at Little Inspirations, you may come into contact with information of a confidential nature. This information could include personal or medical information regarding another child or parent, facility information that is not disclosed to the public or information about an employee. Information that is over heard or discussed at the center should be considered confidential and not shared with anyone.

Child Abuse/Neglect

Employees will be familiarized with the child abuse and neglect laws. Employees will know how to identify children who are abused or neglected. Childcare providers are mandated reporters of suspected child abuse or neglect and are required by law to report the abuse or neglect to child protective services or the local authorities.

Babysitting

Little Inspirations discourages and does not support staff providing babysitting services to families on their own time. We ask that parents do not ask staff members to babysit. Little Inspirations believes this may cross an ethical line.

ENROLLMENT AND DISCHARGE OF ENROLLED CHILDREN

It is mandatory that all parents and children meet with the Director or Assistant Director to tour the center, discuss all child specific needs, and go over center policies before enrolling. Little Inspirations will make accommodations for a child with disabilities as specified under the Americans with Disabilities Act.

If choosing to reduce hours in the summer to less than full time, your child will not be eligible for vacation days or the multi child discount. Little Inspirations reserves the right to charge accounts for days credited which was more than the allotted vacation due to summer enrollment. i.e. If you use 5 days of vacation in January, then reduce to the minimum two days a week in the summer months, you are only eligible to receive 2 days of vacation and will be charged back the three days credited in January. Children enrolled part time will also receive vacation days as outlined under Part Time Enrollment below. If a holiday falls on your child’s regular scheduled day or the center is closed in observance of a holiday, Little Inspirations will expect payment for that holiday. Prorated vacation will be determined by the Director at enrollment.

DAILY ACTIVITIES

Staff will have information about Developmentally Appropriate Practices and we will review this information at least annually. Little Inspirations' staff will plan activities and provide children with a variety of experiences including but not limited to; for Language Development: books for reading, writing materials, music, games, finger plays, poems and flannel board stories. Large muscle skills: balls, basketball hoops, bubbles, running, jumping, dancing and outdoor play. Small muscle skills: puzzles, art and craft activities, manipulative toys and blocks. Creative expression: dramatic play props, musical instruments and movement activities. Self-help skills: cleaning up after ourselves, helping with mealtime preparation, and dressing ourselves.

Curriculum Planning Time

Teachers are expected to plan activities for their children based on the themes that have been selected for the week. To assist and encourage that planning, Little Inspirations will allow staff one hour or more each week out of the classroom to gather materials, do research, or change classroom arrangements.

Learning through educational play is a major component of our program. Enough time, materials and space will be provided for children to actively explore the world around them. Children will have an opportunity to use a variety of art materials, manipulative tools, math, science, and housekeeping equipment. Our curriculum will provide exposure to a variety of cultures through music, stories, games and art, and we will celebrate how we are all the same and how we are all different from one another.

Rest or Naptime

The State of Wisconsin Licensing requires a rest period for all children younger than five years of age who are in care for more than four consecutive hours. Children who do not sleep may get up after 30 minutes, and children who awaken early will be allowed to get up and do quiet activities. Cribs or playpens are provided for each child less than one year of age. Children over the age of one year will sleep on a sleeping bag. Sleeping bags/blankets will be sent home after every five uses or sooner if necessary.

Children's Clothing

Children's clothing should be comfortable, allowing complete freedom of movement, be washable, and suitable for daily indoor and outdoor activities. Since children spend time outdoors daily, parents should consider weather conditions when planning daily dress. Help us encourage development of independent bathroom skills by having children's clothing easy for them to manipulate with a minimum of assistance. Children must wear shoes which are practical as well as comfortable. Flip-flops and shoes without straps are prohibited. Girls should wear shorts under dresses and skirts. Two complete changes of clothing should be kept at the center. Little Inspirations will make reasonable efforts to safeguard children's personal belongings and clothing, but will not be responsible for lost or damaged items.

Children, including infants and toddlers, will go outdoors daily when weather permits. Little Inspirations has a large outdoor play area that is fenced in for safety with balls, ride on toys, swings, and slides with climbers. Children 2 and older will be kept indoors if the temperature is below zero degrees including the wind chill. Children younger than 2 years will be kept indoors if the temperature, including wind chill, is below 20 degrees. Children will also stay indoors when it is raining or when the temperature is above 90 degrees. If the inside temperature rises above 80 degrees we will provide fans or air-conditioning. During the winter season, if it falls below 67 degrees, we will call for furnace repair and contact parents to come for their children.

Children under two years of age

There shall be no specifically scheduled nap time for all infants as a group. As children begin to mature, a child's schedule will be changed to slowly eliminate the a.m. nap and slowly integrate the child into the center schedule. Priority shall be given to the individual eating and sleep needs of the child.¹ They will be given individual attention including lots of time for talking. Body position of non-mobile infants and their location in the room will be

changed frequently. We will provide safe, open spaces for children who are creeping and crawling. Infants and toddlers will be encouraged to play with a wide variety of safe toys and objects.

Written reports will be maintained documenting what each child ate, when they slept, and when they wet or soiled a diaper/potty training attempts. Parents will use this report to share information with us about the child's night and morning activities and disposition.

SIDS is the leading cause of death among infants aged one month to one year.² Being a SIDS conscious facility, no blankets, toys, bumper padding or other objects will be allowed in a crib. Swaddling will be prohibited unless by doctors' orders with a note on file. Blanket sleepers are the only approved sleeping attire for children sleeping in cribs. Parents must supply one winter and one summer blanket sleeper. Over the age of one, nukes and blankets are allowed at nap time only. If a child is having a difficult drop off, we will permit the child a short time to adjust before having to put away the nuk or blanket.

Preschool age children

Preschool children will have opportunities to play and explore their surroundings. They will be given many learning experiences in a variety of developmental areas that are age appropriate. Weekly activities will include math, science, large and small muscle movement, art and literacy.

We occasionally take walks around the center. Emergency information for each child will be taken whenever the children leave the premises as well as a walkie talkie. You will be notified in advance of any field trip requiring transportation.

A schedule of daily activities is posted on a bulletin board outside each classroom. Groups of children may be combined at the beginning and at the end of the day. Activities at the beginning of the day and at the end of the day will be designed for a wide age range of children working and playing together. Activities are planned a week in advance and prepared by teachers that work directly with the children and are based on the themes chosen as well as children's interests. Lesson plans are available for parents to review. Curriculum will celebrate cultural diversity as well as individualism in all children.

Children may engage in water play and will be closely supervised to ensure safety. Little Inspirations may offer wading pools in the summer and parents will be notified in advance. Children will be transitioned from activity to activity in small groups or as they complete their activity to prevent long waiting times and each classroom will offer activities for children to engage in if a waiting period would occur.

School age children

Children will have a quiet place to study or relax, access to appropriate materials and activities, and will have ample time for large muscle activities.

Special Classes/Photography

Little Inspirations may offer special classes such as computer, Spanish, tutoring for school age children, and photographs of your children. Parents will be notified in advance if there will be additional fees associated with these services. Most special services will have additional fees and those charges will be explained when the classes/photography are offered. Participation is completely voluntary.

CHILD GUIDANCE POLICY

Children's behavior will be guided by setting clear limits or rules for children. Staff will talk with children about expected behaviors and model those behaviors consistently for them. Staff will state positively what children can do, using specific terms (e.g., "you need to walk" rather than "don't run"). Undesirable behavior will be redirected to another activity. Children will be given a wide variety of age-appropriate activities to choose from and will be given the attention they need before they demand it. Behavior management will be for the purpose of helping children develop self-control, self-esteem and respect for the rights of others.

When a child is crying, fussy or distraught, staff will work to calm and comfort the child in ways that are appropriate for the child's age and personal disposition. This may include stroking, cuddling, rocking; offering a drink, acknowledging the child's fear, separation sadness, or conflict. Distracting or redirecting to another activity or talking calmly with the child about how s/he is feeling about what has happened may ease the situation. If the unhappiness persists, we may contact a parent to share what is occurring, and inquire if this might indicate onset of an illness.

Little Inspirations recognizes that no single technique will work with every child every time. If a child exhibits unacceptable behavior, the staff will request a conference with parents to consider how to deal with the behavior. If the behavior continues, the next steps may include referrals to appropriate community resources, and / or discharge of the child from care.

In accordance with "Wisconsin Rules for Group Child Care Centers," actions that are aversive, cruel, humiliating, and actions that may be psychologically, emotionally or physically painful, discomforting, dangerous or potentially injurious are prohibited. Prohibited actions include spanking, hitting, pinching, shaking, slapping, twisting, or inflicting any other form of corporal punishment on the child; verbal abuse threats or derogatory remarks about the child or the child's family; physical restraint, binding or tying the child to restrict the child's movement or enclosing the child in a confined space such as a closet, locked room, box or similar cubicle; withholding or forcing meals, snacks or naps; punishing a child for lapses in toilet training. These forms of punishment will never be used, even at a parent's request.

Time-outs are not supported and will not be allowed at Little Inspirations Childcare as a mean of discipline. If behavior issues persist, a parent conference will be held with the parents and a correction plan will be put in place.

CONTINGENCY PLANS FOR FIRE/TORNADO AND OTHER EMERGENCIES

Attendance will be kept in each classroom daily and arrival/departure times recorded. During early AM arrival and late PM pick-up, teachers will be kept aware of children they are responsible for, as rooms are condensed and staff leaves the center for the day. Teachers will know the names of each child and their whereabouts at all times.

Fire evacuation plans will be practiced monthly. Tornado evacuation plans will be practiced monthly from April through October. The Director or Assistant Director will document dates of fire and tornado drills and check the smoke detectors monthly on a form provided by the state.

In case of an emergency that would require an evacuation

Children will be evacuated by all available staff through the nearest exit. Attendance forms and list of phone numbers for parents and emergency contacts will be taken out by the staff member designated to be “in charge” to assure that all children are accounted for and all families can be notified. Children will be assembled at the rear of the building in the fenced in play area. The Director will call the fire department and parents will be notified. If we are unable to return to the building following an evacuation, the children will be taken to an adjacent facility, Lake Park Fitness, until parents or other authorized adults can be reached and come for them.

For any child/staff with special needs or that would need assistance during an evacuation, a staff member and a back up staff member will be assigned to assist in the safe evacuation.

In the event of a tornado warning/severe weather

Children will be taken to an interior bathroom for safety. Blankets, a portable radio and flashlight with extra batteries, are kept in an accessible central location at all times. Attendance forms and emergency contact information will be brought by the staff member designated to be “in charge”. Staff will engage the children in activities until we are assured by the authorities that the danger has passed.

In the event of a lost child, staff will instantly check all areas of the center. If the child cannot be found, the child’s parents and/or emergency contact and the police will be immediately notified.

If the center should lose the use of heat, water or electricity before the center opens; parents will be notified by 6:00 a.m. and will be asked to not bring their child that day. If the center should lose the use of heat, water or electricity while children are in attendance, the Director or Assistant Director will call the parents of all children and ask them to pick them up within one hour.

Depending on Staffing, Little Inspirations will attempt to remain open in inclement weather but may have to close. We will also attempt to align with Appleton Area School District closures. In the event of severe weather, staff will be asked to safely arrive at their normal scheduled time. Parents will be advised to call the center to ensure staff ratios are able to be met.

In the event that the center receives a threat to the building or its occupants (e.g., bomb threat, bodily injury threat, etc.), law enforcement and the parents will be immediately contacted to advise them of the threat. Depending on the nature of the threat, evacuation and/or closure may be required.

There will always be at least two staff members on site for safety precaution and in case of an emergency. At least one of those staff members will be trained on Shaken Baby Syndrome (SBS), Sudden Infant Death Syndrome (SIDS), and CPR. Emergency numbers such as police, fire department, poison control, etc are posted.

Fire Extinguishers

There are three fire extinguishers located in three areas of the building: front entry, rear exit leading into the playground area, and one in the kitchen. All fire extinguishers will be professionally inspected annually.

Cleanliness Procedure for Staff/Children

Cleanliness and sanitation are of primary importance for Little Inspirations! Staff and children are required to wash their hands upon arrival and after taking a break or anytime you re-enter any classroom or kitchen area, after using the restroom, diapering, or any other time their hands become soiled. Staff working with children shall wash their hands with soap and warm running water before handling food, and after assisting with toileting and after wiping bodily secretions from a child with a disposable tissue.

Children's hands shall be washed with soap and warm running water before and after meals and snacks and after toileting or diapering. Children's hands and face shall be washed after meals. Washing in a common bucket or pan is allowed after certain activities such as finger painting, if this preliminary washing is to eliminate excess paint and is followed up by individual hand washing under running water with soap. Infants hands may be washed with a fabric, cloth, or paper wipe containing soap and water. Children age one and over must use soap and running water to wash.

Universal Precautions

Little Inspirations' staff adopt universal precautions when exposed to blood and blood-containing body fluids and injury discharges of children. Persons shall wash their hands immediately with soap and warm running water if exposed. Single use disposable gloves will be worn if there is contact with blood-containing body fluids or tissue discharges. Hands shall be washed with soap and water after removal of gloves. Gloves will be discarded in plastic bags. For spills of vomit, urine, feces, blood or other body fluids, the center staff shall clean and disinfect the floors, walls, bathrooms, tabletops, toys, kitchen countertops and diaper changing tables.

Toy Sanitation

Toys that have been in a child's mouth will be picked up as soon as the child lets go of it and placed into a basket to be washed, sanitized, and air-dried. Toys requiring laundering, such as stuffed dolls or animals, will be laundered weekly or sooner if needed. Shelves and other toys will be sanitized daily and left to air dry.

*****Parents are required to wash their child's hands upon entering the child's classroom*****

Diapering

Before changing a diaper, the staff will wash his/her hands. Latex free gloves may be worn by staff during diaper changes and discarded after the diaper has been removed. Following the diaper change, the soiled diaper will be disposed of in a plastic-lined, foot-activated diaper pail. Wet or soiled clothing will be put into a plastic bag and tied. Hands of both the child and the staff member will be washed. Changing pads will be cleaned and disinfected after each child.

HEALTH CARE POLICY

We regret any inconvenience caused by the strict adherence to these guidelines. Our concern for the children dictates a very aggressive approach when dealing with health matters. Because of conflicting medical opinions about the advisability of re-admitting children receiving treatment who still appear ill, Little Inspirations will be vigilant on safety when making such decisions and ask for your tolerance and understanding.

Special Health Care Needs

When a child is known to have any special health care needs, that information will be shared with those staff who are assigned to care for that child, but will otherwise be treated with confidentiality. Such special needs, including dietary requirements, will be posted on the inside of the staff cupboard door, where medication and medical log book are stored. When specialized equipment is needed, such as nebulizer or epi-pen, the child's parent or a medical professional will train staff in correct procedures. Proper hand washing procedures will be followed to prevent the spread of disease. Hand washing procedures will be posted at all of the sinks.

Child Illness

Children who are ill are not to be brought to the center. Examples of children who are ill:

- Fever (oral or temperol scanner of 101° F or higher)
- Vomiting more than once in the past 24 hours
- Diarrhea more than twice in the past 24 hours
- Contagious disease such as but not limited to:
 - Chicken pox (until 6 days after onset of rash or sores have dried)
 - Pertussis/whooping cough (until on antibiotics 5 days)
 - Mumps
 - Hepatitis A
 - Measles
 - Head Lice (until 1st treatment is initiated)
 - Scabies (until after all treatment is completed)
 - Strep throat (until 24 hours of treatment and fever is gone)
 - Pink eye (until 24 hours after treatment has been initiated)
 - Colds with severe runny noses
 - An unidentified rash
 - Has a constant, thick, colored nasal discharge

Children may return to the center when they are symptom free and off medication for at least 24 hours. If on a prescribed medication, they must be on it for at least 24 hours or have medical approval to return to childcare and are able to participate in the daily activities. We will follow procedures on personal cleanliness and communicable diseases stated in licensing rules and the guidelines for exclusion of children from childcare as adapted from the Division of Public Health.

Parents will be informed whenever their children has been exposed to a communicable disease. Certain diseases must also be reported to the public health department and to our licensing specialist.

If a child should become ill or seriously injured while at the center, parents will be contacted immediately. Sick children will be isolated within sight and hearing and made as comfortable as possible. Ill children should be picked up as soon as possible. If the child is not picked up within one hour, the emergency contact person on the child's enrollment form will be called.

Superficial injuries will be washed with soap and water and covered with a bandage or treated with ice. Parents will be told about the minor injury when they pick their child up. We will practice universal precautions when handling all blood injuries and bodily fluid. Staff will use disposable gloves when treating blood injuries. Surfaces touched by blood will be washed and disinfected, and all materials used to treat the injury will be wrapped in an airtight plastic bag and disposed of immediately.

If there is a need for emergency medical treatment, 911 will be called for staff or child. If it is a life-threatening situation with no time to consult the child's/staff members parent or emergency contact, the child/staff member will be taken to St. Elizabeth Hospital which is the closest hospital to Little Inspirations location. Should an ambulance be needed, parents/staff member will be responsible for any costs. Parents/staff emergency contact will be contacted as soon as possible after contacting 911. Staff will have training in infant and child CPR. First aid supplies will be stored in the office area. Death of a child or any incident or accident that occurs while the child is in the care of the center resulting in an injury that requires professional medical treatment must be reported within 48 hours to licensing. If medical treatment is sought after the child has left the center, you must inform the Director, Assistant Director, or Administrator immediately.

When children are off-site for walks or field trips, staff will take along emergency contact information, attendance sheets and a first aid kit in case an injury occurs to children or staff. Injuries will be recorded in the medical log book upon return to the center.

Pandemic Policy

Little Inspirations will follow the recommendations of the CDC, Local Health Department along with our licensing agency; the Dept of Children and families. There may be times that all agencies' policies do not align. Little Inspirations will follow recommendations, and for the health and safety of our staff and families, may determine to enhance more boundaries as we see needed.

If a staff member or child tests positive, we will follow the CDC, Local Health Department and Dept of Children and Families recommendations on what rooms, and for how long the rooms will be shut down. In some cases, the entire center may have to close.

With all Pandemic related shutdowns, Little Inspirations will attempt to keep our healthy staff working if allowed by the CDC, Local Health Department and Dept of Children and Families guidelines. Therefore, to allow us to pay our staff, we will offer a 50% tuition rate credit for the days that you are not allowed to attend. If this may create a financial hardship, please see Little Inspirations Administrator. In the event that the entire center is forced to shut down, Little Inspirations not charge tuition.

Medications

Little Inspirations will store medications in a locked cabinet in the classroom unless the medication requires refrigeration then it will be stored in a container labeled with the child's name in the staff office. Medications will be administered under the following conditions:

- Prescriptive and non-prescriptive medication will only be given to children if parents have completed the authorization form provided
- All medicine must be in its original container, bearing the label with child's name, dosage and administration directions and proper dosing dispensing tool
- Little Inspirations will not exceed the age-related dosage on the label of any medication without a written doctor's authorization
- Medication will only be administered at the specified time on the authorization sheet. If a dose is missed, the parent will be notified at pick up and it will be the parent's discretion on how to handle the missed dose
- Little Inspirations will not permit "As Needed" medications. Any over the counter medication must have the appropriate form filled out with specific instructions on dosage amounts and dosing times. Never can dosing exceed the labels recommended days administered unless a note is on file from the child's physician.

Little Inspirations will maintain a medical log where we will document the administration of medication and accidents or injuries that happen when children are in our care. Observations of injuries to a child's body received outside of care or any marked changes in behavior or appearance will be noted.

Non-Medicinal Products

Sun screen, insect repellent, lip balm, diaper creams and other non-medicinal products will only be used on a child when signed authorization is on file, and the specific products are supplied by the parent and labeled with the child's name.

Shaken Baby Syndrome (SBS)

Staff, including substitutes and emergency back-up providers, must have attended an approved training in the identification, prevention, and grave effects of shaking babies, before being allowed to work with children.

Sudden Infant Death Syndrome (SIDS)

To reduce the risk of SIDS staff will do the following with any child under the age of ONE year:

- All infants will be placed to sleep on their backs, unless the child's physician's authorizes another position in writing and a parent signs a legal release of liability form
- Soft objects will be removed from the crib
- No blankets, toys, bumper padding or other objects will be allowed in a crib
- Sheets will be tight fitting
- If a child falls asleep in a swing or car seat they will be moved to their crib
- Staff will ensure that awake, non-mobile children have time each day to spend in a prone position ("tummy time")
- Staff members, substitutes, and volunteers will be trained on these procedures before they begin working with any children
- Swaddling will be prohibited unless by doctors' orders with a note on file
- Blanket sleepers are the only approved sleeping attire for children sleeping in cribs. Parents must supply one winter and one summer blanket sleeper to be brought home every week to be laundered

CPR

Employees in regular contact with children shall obtain and maintain a current certificate of completion for infant and child cardiopulmonary resuscitation and automated external defibrillator use from an agency approved by the department within 6 months after beginning to work with children.

Toilet Training

Toilet training should be a positive experience in your child's life. It is very important that parents be the one to initiate this process and not the provider. After successfully testing at home with your child for more than one week, if you feel your child is ready and is able to verbally communicate their need to go, then you can ask the teachers to help assist you in the process.

Toilet training is as individual and rewarding as learning to walk. There is no right age by which children should be toilet trained, however the State of Wisconsin Licensing will not allow us to toilet train children under the age of 18 months. Once we all see and agree on the stages and signs in your child's progress and parents have initiated training at home successfully, then we can try toilet training your child for 10 working days. If your child shows no interest, is showing signs of fear or having too many accidents, we will discontinue training until we feel s/he is ready to start again.

Little Inspirations will be closely coordinating with the child's family attempting to use terminology and procedures that are as consistent as possible at home and at the center. Accidents are to be expected, and will never be cause for punishment or humiliation. We will never use food or candy for a reward system. Wisconsin health regulations state that staff are not able to wash out soiled clothes however, feces will be discarded if possible (clothes will be

placed in a plastic bag and sent home). Each child will always be accompanied by the teacher. To help in the process; please dress your child in loose fitting clothes for them to pull up & down.

Keep two full sets of extra clothing in their cubbies at all times (pants, shirts, underwear, socks and shoes). Training will start with Pull Ups to avoid damage to furniture/carpeting; this is also for hygiene purposes. When the child has gone two weeks in Pull ups without any accidents we can try underwear.

Biting Policy

Children biting is one of the most common and most difficult behaviors in group childcare. It can occur without warning, is difficult to defend against, and provokes strong emotional responses in the biter, the victim, the parents, and the caregivers involved. No matter what the cause, biting in a group situation causes strong feelings in all involved. It does help, however, to be aware of the potential problem before it happens, and to form a plan of action if it does occur.

When a child is bitten there are steps to follow for the biter and the victim:

- The biter is immediately removed with no emotion, using words such as “Stop, that is not okay”
- The caring attention is focused on the victim
- The biter is not allowed to return to play and is talked to on a level that the child can understand. “I can see that you want that truck, but I can’t let you hurt him to get it. We need to wait for our turn.”
- Redirect the child to other play
- Staff will write an ouch report for parents to sign at pick up

For the victim:

- Separate the victim from the biter
- Comfort the child
- Administer first aid
- Staff will write an ouch report for parents to sign at pick up

Little Inspirations policy if biting becomes severe in nature:

- Talk to the parents to determine any triggers that may be causing the behavior.
- Have staff working in the classroom document the behaviors including time of day, date, what the child was doing prior to the bite, and what the child was doing when the bite happened so that we can identify any possible triggers in the classroom.
- If after meeting with the parents and documentation does not eliminate these behaviors, outside sources may be consulted for observation and evaluation. (Birth to 3 for children under age 3 and the appropriate school district for children age 4+)
- If the outside agency does not determine that services are warranted, Little Inspirations will then meet with the parents to outline that from this point forward a “three strikes and you are out” rule meaning that if we have three separate biting incidents occur the family will be dismissed from the center immediately following the third incident.

NUTRITION POLICY

Little Inspirations follows USDA guidelines when planning our menus. If eligibility requirements are met, Little Inspirations will participate in the Child and Adult Food Program. Menus will be posted outside the kitchen as well as outside each classroom and meals will be based on a 5 week rotation. If a menu must be changed for any reason, the food substituted will be noted on the posted menu. Menus will be kept on file for three months. Meals and snacks are prepared at the center. Kitchen staff receives the appropriate training in food service procedures. Little Inspirations will provide breakfast, lunch and afternoon snack to all children in attendance at the times identified in the daily schedule. School-aged children will be offered an afternoon snack upon return from school. If your child has special dietary needs (medical condition or personal choice) or has food allergies, parents must notify the center in writing. If you would like to be required to bring a substitution, it must be an approved and must follow FDA regulations.

Children who attend during the early morning or late afternoon hours will be offered a snack to ensure that they never go without food for more than 3 hours. Children will eat family style and will be allowed to serve themselves. Each child will be asked to take a small amount of each item served and encouraged to try everything but the children will not be forced to eat items they do not like. Mealtimes will include meaningful conversation and will promote social interaction, encourage good table manners and develop sound nutritional habits. Teachers will eat with the children to model the behavior that is desired. Children will be praised for trying new things and they will be encouraged to clean up after themselves. Eating surfaces will be sanitized before meals and snacks and everyone will wash their hands before and after eating. Meals will not be withheld as a form of punishment.

Birthday and holiday store bought treats are allowed but please consider that we have some children with peanut allergies in our center. No made from scratch treats can be permitted. If bringing in treats, no religious, religiously suggestive, or items that may be religiously offensive will be permitted. Please try to provide nutritious choices low in fat and sugar and that do not contain nuts, peanuts, or nut by-products. Please make teachers aware when treats are to be brought in.

Children younger than 12 months must be served formula or breast milk, unless written direction is on file from the child's health care professional. Bottles, breast milk, and commercial baby food must be labeled with your child's name and served on the child's schedule. Babies will be held for bottle-feeding. Bottles will never be propped up, and unused formula or breast milk will be disposed of immediately. All bottles will be rinsed and sent home for sanitation.

Food will be stored off of the floor and once opened, in airtight containers. Refrigerator (40 degrees or colder) and freezer temperatures (0 degrees or colder) will be properly maintained.

Dishes will be washed and sanitized in accordance with licensing regulations, in a commercial dishwasher and air dried in racks, baskets, or on drain boards. Equipment and utensils shall have smooth, hard surfaces, be easily cleanable, in good repair, durable, non-toxic and free of cracks, seams, chips and roughened areas, and shall be maintained in a clean and sanitary condition. Food preparation tables shall be durable, and surfaces shall be smooth, non-absorbent and easily cleanable. After cleaning, utensils shall be stored in a clean, dry place and protected from contamination. Kitchen utensils and food contact surfaces used for preparation, storage or serving of food shall be thoroughly cleaned and sanitized after each use.

Poisonous and toxic materials, including cleaning supplies, bleaches and insecticides, shall be labeled and stored in cabinets used for no other purpose and shall be inaccessible to children. Cleaning aids such as mops, brooms and buckets shall be clean and shall be stored outside of food preparation or food storage areas. Leftover prepared food which has not been served shall be dated, refrigerated promptly and used within 36 hours, or frozen immediately for later use. Staff will wash their hands with soap and warm running water before starting work, before and after handling food, and after using the toilet. Hands shall be dried with single use towels. No one with an open or infected wound or sore may work in the food preparation area unless the wound or sore is covered and, if it is on a hand, a nonporous glove is worn on that hand.

Snack and meal schedule:

Breakfast 8:30; Lunch 11:30; Snack 2:30; 5:30 Additional snack - Little Inspirations acknowledges that you may not want your child to have a snack offered to them at 5:30 but the State of Wisconsin Licensing mandates all children will be offered a food source.

TRANSPORTATION POLICY

Lamers Bus lines provides transportation to/from McKinley Elementary School in the Appleton School District and both Sunrise Elementary and Woodland Elementary in the Kimberly School District (parents must contact school district for fees and eligibility requirements).

Please inform the Director or Assistant Director if you have arranged transportation with the school district and Lamers Bus Lines. If your child(ren) does not arrive at the center at their regularly scheduled time, the Director or Assistant Director will phone the parents to inform them of the situation. If the parents are not able to be reached within 5 minutes, then the emergency back up person will be called. If parents wish to allow a school-age child to leave or arrive at the center unescorted, they must provide written authorization for this activity by completing the DCF-104, "Alternate Arrival/Release Agreement." School-age children who leave the center must be traveling to school or another activity where adult supervision is present.

When a child is transported to his/her destination, an adult must wait until the child enters the building or is met by an authorized person.

When regularly scheduled transportation is provided, such as to and from school; the center must maintain a list of children to be transported, route and scheduled stops, name and place where child is to be dropped off.

Smoking is prohibited in the vehicle.

Should there be an accident, the Director, Assistant Director, or Administrator must verbally inform the licensing office within 24 hours, and provide a written report within 5 business days after the incident.

Little Inspirations will not permit the use of staff vehicles to transport children at any time.

Field Trips

Field trips may be taken throughout the year; however the majority will most likely occur in the summer. Parents will be notified in advance and permission will be required for children to attend. Additional fees will apply and those also must be collected in advance. We encourage parents, grandparents, etc to attend as chaperones and the number needed and additional applicable fees will be requested on the information about the field trip.

With children safety a priority, Little Inspirations will require parent chaperones to verify that we have a manageable number of children to adults' ratio. If manageable numbers cannot be obtained, Little Inspirations reserves the right to cancel any fieldtrip at their discretion. Staff will check the children onto the bus, we will take head counts to verify that all children are accounted for before and during the fieldtrip and also upon returning to Little Inspirations. When we arrive at our destination, children will be checked off the bus and then a head count will be made to verify that all children are accounted for. While on the fieldtrip, a head count will be taken once every 30 minutes to ensure all children are accounted for. To ensure that no child is left unattended, our staff will have all children exit the bus when it reaches its destination. A staff member will do a walk-through of the bus to verify that all children have exited the bus. The staff member will look on and under all the seats to verify no child is left on the bus.
